Dear Friend of the Academy,

We are pleased to report that 2009 has been an exciting year for the Kaua'i Academy of Creative Arts, marked by collaboration and new endeavors:

- [A Furlough Friday Program](#) in partnership with the Department of Education and Wilcox Elementary School.
- [KAMALI'I--Children of Culture and the Arts](#), a gallery for children in partnership with the County of Kaua'i Office of the Mayor and the Department of Parks and Recreation. This gallery is located at the Pi'ikoi Building and the current exhibit features work from students of Chiefess Kamakahelei Middle School and the Academy's Fall Program.
- [Winter Intersession Workshops](#) in partnership with Kukui Grove Center. KACA will offer workshops for children 8 years and up—watch for media announcements or visit our webpage at www.kauaicreativearts.org.

All of this, and we continue to offer our beloved Summer Program and Fall Intersession Program at Island School in Puhii!

If you are able, please help us to continue our mission of providing affordable visual and performing arts education for the children of Kaua'i by making a tax-deductible donation at this time. All monies raised are allocated towards art supplies and tuition assistance for families who meet federal guidelines. We strongly believe that our children benefit from education in the arts, no matter where they go or what they do.

May your Holiday Season be filled with warmth, light, and love, and of course, music and art!!

With Warmest Aloha,

Mary Nakamura
